Hi Feather Pedalers --

Due to the amount of rain we have had and the forecast for more through Saturday morning, I am canceling the ride tomorrow. There are a number of reasons including:

- Roads are still slick especially the white lines making it more dangerous.
- Puddles and debris on the road from the rain make it more dangerous as well.
- Given the forecast, we don't want anyone to get caught in the rain on the ride if it is avoidable.

Instead, we will hold the same ride, same time but SAGless on Sunday, March 2. That means you are riding on your own. There will be sign-up sheets but just make sure you are prepared with water, extra tubes, food, and tire tools.

Safe Cycling from Feather Pedals!
